Section 1. Minnesota Statutes 2008, section 119B.13, subdivision 1, is amended to read:

Subdivision 1. **Subsidy restrictions.** (a) Beginning July 1, ~~2006~~ 2009, the maximum rate paid for child care assistance in any county or multicounty region under the child care fund shall be the rate for like-care arrangements in the county effective ~~January 1, 2006~~ July 1, 2008, increased by ~~six~~ two percent.

(b) Rate changes shall be implemented for services provided in September ~~2006~~ 2009 unless a participant eligibility redetermination or a new provider agreement is completed between July 1, ~~2006~~ 2009, and August 31, ~~2006~~ 2009.

As necessary, appropriate notice of adverse action must be made according to Minnesota Rules, part 3400.0185, subparts 3 and 4.

New cases approved on or after July 1, ~~2006~~ 2009, shall have the maximum rates under paragraph (a), implemented immediately.

(c) Every year, the commissioner shall survey rates charged by child care providers in Minnesota to determine the 75th percentile for like-care arrangements in counties. When the commissioner determines that, using the commissioner's established protocol, the number of providers responding to the survey is too small to determine the 75th percentile rate for like-care arrangements in a county or multicounty region, the commissioner may

establish the 75th percentile maximum rate based on like-care arrangements in a county, region, or category that the commissioner deems to be similar.

(d) A rate which includes a special needs rate paid under subdivision 3 or under a school readiness service agreement paid under section 119B.231, may be in excess of the maximum rate allowed under this subdivision.

(e) The department shall monitor the effect of this paragraph on provider rates. The county shall pay the provider's full charges for every child in care up to the maximum established. The commissioner shall determine the maximum rate for each type of care on an hourly, full-day, and weekly basis, including special needs and disability care.

(f) When the provider charge is greater than the maximum provider rate allowed, the parent is responsible for payment of the difference in the rates in addition to any family co-payment fee.

(g) All maximum provider rates changes shall be implemented on the Monday following the effective date of the maximum provider rate.

Sec. 2. Minnesota Statutes 2008, section 119B.231, subdivision 2, is amended to read:

Priority for funds is given to providers who had agreements prior to June 30, 2009. If sufficient funds are available, the commissioner shall make applications available to additional providers. To be eligible to apply for an SRSA, a provider shall:

(c) An eligible provider who would like to enter into an SRSA with the commissioner shall submit an SRSA application. To determine whether to enter into an SRSA with a provider, the commissioner shall evaluate the following factors:

- 3.1 (1) the ~~qualifications of the provider and the provider's staff~~ provider's Parent  
3.2 Aware rating score;
- 3.3 ~~(2) the provider's staff-child ratios;~~

3.28 in ineligibility for the SRSA rate. A family must continue to maintain eligibility under this  
3.29 chapter and be in an authorized activity.

3.30 (d) A family that moves between counties but continues to use the same SRSA  
3.31 provider shall continue to receive SRSA funding for the increased payments.

3.32 Sec. 4. Minnesota Statutes 2008, section 119B.231, subdivision 4, is amended to read:

3.34 evaluation, and reporting requirements that promote the goals of improved school

readiness and movement toward appropriate child development milestones. A provider who enters into an SRSA shall comply with all SRSA requirements, including the assessment, evaluation, and reporting requirements in the SRSA. Providers who have been selected previously for SRSAs must begin the process to obtain a rating using Parent Aware according to timelines established by the commissioner. If the initial Parent Aware rating is less than three stars, the provider must submit a plan to improve the rating. If a 3 or 4 star rating is not obtained within established timelines, the commissioner may consider continuation of the agreement, depending upon the progress made and other factors. Providers who apply and are selected for a new SRSA agreement on or after July 1, 2009, must have a level 3 or 4 star rating under the Parent Aware quality rating system at the time the SRSA agreement is signed.
